

The Bay Flying Club

at Cockerham

[Just a short note to keep in touch – next full Newsletter in February]

Club Night

Wednesday 13th January 2010

8.00pm at the Manor Inn

Pete Ronfell will be telling of the trials and tribulations – and the sense of achievement – in the building of a TL STING aircraft which is now ready for take-off.

Plenty of pictures and plenty of lessons for those who are thinking of doing something similar. Very interesting, and a few light hearted moments no doubt.

Also, to encourage you out on a cold wintry night, there will be **CHIP BUTTIES** for supper for a small charge. After the break we will have a short discussion about fly-outs etc.

!!! DON'T MISS IT !!!

And don't forget the next CLUB NIGHT after this will be Wednesday 10th February 2010 when we will have Capt N Airey from NW Air Ambulance.

Membership Subs

Most people have now paid their membership subscriptions – due in November 2009 – but if you have not yet done so, please send a cheque for £25 made to “Bay Flying Club” to the Treasurer, Brian Ellis at:-

School House
97 South Road
Bretherton
Leyland
PR26 9AJ

Remember if you hangar an aircraft at Rossall Field either as sole owner or as a member of a syndicate you must be a member of Bay Flying Club.

Briefs

Alan Robinson has kindly offered to act as fly-out organiser for the club. He has previous experience in mind-reading which will help in guessing where people would like to go, in fortune-telling which will help in predicting the weather and in herding cats which will help in doing the briefings on the day!

AWARE the new cut-price basic GPS unit mentioned in the last Newsletter will be available for trial shortly - more news later. See details of equipment on: <http://www.airspaceaware.com/>

And Finally

Come on down – the flying is fantastic!!!
